

Contineum Therapeutics Announces Pricing of Upsized \$90.0 Million Public Offering

December 11, 2025

SAN DIEGO--(BUSINESS WIRE)--Dec. 11, 2025-- Contineum Therapeutics, Inc. (Nasdaq: CTNM) (Contineum or the Company), a clinical-stage biopharmaceutical company pioneering differentiated therapies for the treatment of neuroscience, inflammation and immunology (NI&I) indications, today announced the pricing of an upsized underwritten public offering of 7,346,938 shares of its Class A common stock at a public offering price of \$12.25 per share. In addition, Contineum has granted the underwriters a 30-day option to purchase up to an additional 1,102,040 shares of its Class A common stock at the public offering price, less underwriting discounts and commissions. The gross proceeds from the offering, before deducting underwriting discounts and commissions and other estimated offering expenses payable by Contineum, are expected to be approximately \$90.0 million, excluding any exercise of the underwriters' option to purchase additional shares. The offering is expected to close December 15, 2025, subject to the satisfaction of customary closing conditions.

Goldman Sachs & Co. LLC, Leerink Partners, Stifel, RBC Capital Markets and William Blair are acting as joint book-running managers for the offering. Jones is acting as manager for the offering.

A registration statement relating to the securities to be sold in the offering was filed with the U.S. Securities and Exchange Commission (SEC) on May 14, 2025 and was declared effective by the SEC on May 23, 2025. Forward-Looking Statements

Statements in this press release about future expectations, plans and prospects, as well as any other statements regarding matters that are not historical facts, may constitute "forward-looking statements." Such forward-looking statements, which represent Contineum's intent, belief, or current expectations, involve risks and uncertainties. The words, without limitation, "may," "will," "expect," "anticipate," "estimate," "intend," "plan," "predict," "potential," "believe," "should" and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. Such statements may include, but are not limited to, statements concerning the timing and completion of the offering and satisfaction of customary closing conditions. Although Contineum believes the expectations reflected in these forward-looking statements are reasonable, such statements are inherently subject to risk and Contineum can give no assurances that its expectations will prove to be correct. You should not place undue reliance on these forward-looking statements, which apply only as of the date of this press release. As a result of many factors, including without limitation those set forth under "Risk Factors" in Contineum's Annual Report on Form 10-K for the year ended December 31, 2024 and its subsequent quarterly reports on Form 10-Q filed with the SEC, Contineum's actual results may differ materially from those anticipated in these forward-looking statements. Contineum

undertakes no obligation to update these forward-looking statements to reflect events or circumstances after the date of this press release or to reflect actual outcomes, except as required by law.
